

1st October 2004

(Attn: To Whom It May Concern)

Dear Sir/Madam,

SUBJECT: Siemens Approved System Integrator

Precision Control Sdn Bhd is an experienced System Integrator for the Siemens Simatic PLC and HMI automation systems for more than 10 years.

Precision Control Sdn Bhd is our official Siemens Approved System Integrator after meeting our quality evaluation and continual training over the last 10 years.

As an approved System Integrator, Siemens Automation and Drives Group in Malaysia provides Precision Control Sdn Bhd with full technical support for the Siemens Automation products supplied by our Group and continually update them on our new innovation technology.

I am confident that Precision Control Sdn Bhd has the capabilities to integrate the WINCC SCADA and Simatic PLC automation system based on their past project references and experience in Malaysia for more than one decade.

The Approved System Integrator Status of Precision Control Sdn Bhd is valid until 30th September, 2006 as part of our procedure which renew and re evaluate our contracts on a 2 years basis. Please request an updated copy of this letter if the validation period has expired.

Please do not hesitate to contact us if you require any further clarification.

Yours faithfully,
SIEMENS MALAYSIA SDN BHD

Therese Leong
Vice President
Automation & Drives Group
